

Dear parents,

Wanted to assure you that Memorial as a private school in Jefferson parish is excited and ready for the opening of school and ELC next Monday, August 17th. We feel confident with all of the safety precautions we have put in place that we have created a nurturing and safe space for our students to learn next week. Memorial Baptist School and Early Learning Center closed in March 2020 due to COVID-19. Memorial remains committed to serving working parents and educating children in an academically challenging, loving, and safe environment. Visit links provided below for Mr. Riggs' email correspondence regarding the start of the 2020-2021 school year.

Despite the negative implications that the news media seems to be pushing, our faculty and staff here at MBS have been trained on Covid safety protocols and are excited to be back teaching your children. If you have not done so already, please complete the Covid-19 School Waiver. These must be completed prior to your child's first day of school please. (More information regarding your child's first day of school will be emailed later this week.)

To say we have missed you over the last few months would be an understatement. I know that these are trying times for you and your family as they are for us all. With safety being our primary concern, we can't wait to see you next week in school. If there's anything I can do for you, please don't hesitate to call me or email me at any time.

Mr. Riggs
